NOTIFICATIONS

New Delhi 1, the 17th February 1961

No. 1-CA(5)/57—In exercise of the powers conferred by sub-section (1) of Section 30 of the Chartered Accountants Act, 1949, (XXXVIII of 1949), the Council of the Institute of Chartered Accountants of India has made the following amendments to the Chartered Accountants Regulations, 1949, the same having been previously published and approved by the Central Government as required by sub-section (3) of the said Section.

In the said Regulations:—

I. For the existing clause (a) of Regulation 47 substitute the following:—

“(a) The Council shall publish and make available on payment a list of members of the Institute eligible to vote belonging to each constituency showing *inter-alia* distinctly and separately—

(i) whether any particular member is an Associate or a Fellow;

(ii) the polling area or polling booth to which the voter is attached and in which he should exercise his franchise, and

(iii) the location of the polling booth and the polling area for which each such booth has been selected, if the Secretary decides that his voting shall be in a polling booth, and not by post, under the powers vested in him under Regulation 48B.

The addresses published in the list of members eligible to vote will be final for determining the manner in which a member will be entitled to cast his vote or the constituency or the polling booth to which he will belong for purposes of casting his vote.

The Council shall notify in the Gazette of India and the Institute's Journal the fact that such list will be available on payment. The list shall be put on the notice board of the Central Council and the notice boards of the various Regional Councils.

II. For the existing Regulation 48, substitute the following; namely:—

48. Admissible number of votes to each voter—Each voter shall have one vote only. A voter in giving his vote—

(a) must place on his ballot paper the figure 1 in the square opposite the name of the candidate for whom he votes;

(b) may, in addition, place on his ballot paper the figure 2 or the figures 2 and 3, or 2, 3 and 4 and so on, in the squares opposite the names of other candidates in the order of his preference.

48A. Mode of elections—Except as otherwise provided, the elections shall be conducted by poll and every voter in any election shall cast his vote personally in the booth provided for the purpose, unless a voter is allowed in respect of any election to cast his votes by post as hereinafter provided.

48B. Polling Booths—The Secretary shall set up such number of polling booths at such places as he deems necessary, provided that, within an area covered by a radius of ten miles from each booth, there are not less than 10 members according to their professional addresses as given in the list of members eligible to vote.

48C. Polling Officer—The Secretary shall appoint a polling officer for each polling booth and may also appoint such other persons as he may deem necessary to assist the polling officer. The polling officer shall, in addition to performing any other duties imposed upon him by these Regulations be in general charge of all arrangements at the polling booth and may issue orders as to the manner in which persons shall be admitted to the polling booth and generally for the preservation of peace and order at or in the vicinity of the polling booth.

48D. The Secret chamber and the ballot paper—(1) There shall be a secret chamber or chambers in each polling booth and such chamber shall be so arranged that where an elector records his votes on the ballot paper, no other person can see how he has voted.

(2) The ballot paper shall contain a list of candidates standing for election in a constituency and shall bear the seal of the Council.

48E. *Presence of the candidates at the polling booths*—Any candidate for election in a constituency shall be entitled to be present at the polling booths in that constituency and to appoint members of the Institute as his authorised representatives to be present on his behalf at the polling booths in that constituency.

Provided that the candidate shall send so as to reach the Secretary at least thirty days before the date fixed for the poll at that constituency an intimation by registered post of his intention to appoint such authorised representatives for the purpose, clearly indicating the full name, membership number and address of each of the authorised representatives and the number of the polling booth at which each of them will be present.

Provided further that not more than one authorised representative shall be present at a time at each polling booth.

48F. *Voting to be in person and not by proxy*—Voting shall be by ballot and every person entitled to record his vote by ballot and wishing to record his vote, shall do so in person and not by proxy.

48G. *Questions to be put to electors*—At any time before a ballot paper is delivered to an elector, the polling officer may, of his own accord, if he has reason to doubt the eligibility of the elector or his right to vote at the polling booth, and shall, if so required by a candidate or his authorised representative, put to the elector such questions as he may deem necessary with a view to establish the identity of that elector.

48H. *Record to be kept by the polling officer*—(1) The polling officer shall at the time of delivery of the ballot paper place against the name of the elector in the list of persons eligible to vote a mark to denote that the elector has received a ballot paper. He shall also keep a record of the ballot papers supplied to the electors in such manner as the Secretary may direct.

(2) In deciding the right of a person to obtain a ballot paper under this Regulation, the polling officer at any polling station may interpret any entry in the list of persons eligible to vote so as to overlook merely clerical or printing error, provided that he is satisfied that such persons are identical with the elector to whom such entry relates.

48I. *Identification of electors*—The polling officer may employ at the polling booth such persons as he thinks fit to assist him in identifying the electors or for any other purpose.

48J. *Manner of recording of votes after receipt of ballot paper*—(1) On receiving the ballot paper the elector shall forthwith proceed into the secret compartment set apart for the purpose and shall record his votes on the ballot paper in the manner specified in Regulation 48. He shall give a signed letter in the form supplied for the purpose of forwarding his ballot paper to the Secretary.

He shall then place the ballot paper on which his votes have been recorded in an envelope supplied for the purpose and get it closed and sealed in his presence. He shall then place the envelope containing the ballot paper and the said forwarding letter in a bigger envelope to be sent to him which shall also be closed and sealed in his presence, if necessary with the seal of the elector. The elector shall then personally hand over the envelope thus sealed to the polling officer.

48K. *Return of ballot paper by an elector*—(1) If an elector after obtaining a ballot paper for the purpose of recording his votes decides not to use the same, he shall return the ballot paper to the polling officer, and the ballot paper so returned shall then be marked as "cancelled—unused" and kept in a separate envelope set apart for the purpose and a record shall be kept by the polling officer of all such ballot papers.

If any ballot paper which has been issued to an elector for the purpose of recording his votes, is found by the elector at the Secret Chamber at the end of the day when the Polling Officer inspects the Secret Chamber whether votes have been recorded in it or not, it shall be dealt with in accordance with the provisions of Regulation (1) as if it had been returned to the Polling Officer.

48L. *Hours during which polling booths shall be kept open*—(1) Every polling booth shall be kept open on the day appointed for recording of votes from 8.30 A.M. to 5 P.M.

(2) The Polling Officer will close the polling booth at the end of the day, or if the polling is for more than one day, at the end of each day, at the hour appointed under sub-regulation (1) and no elector shall be admitted thereto after that hour, provided that all electors present within the polling booth before it is closed, shall be entitled to have their votes recorded.

Provided further that where the number of electors within a radius of ten miles at any polling booth exceeds 200, the polling booth shall be kept open for two consecutive days during the same timings as mentioned in sub-regulation (1).

(3) The Polling Officer shall, as soon as practicable after the close of the poll on the day of election, or after the closing of the poll on each day of election; if the election is for more than one day, in the presence of any candidates or their authorised representatives who may be present, place the sealed envelopes in a packet or box. He shall also make up into separate packets:

(i) Unused ballot papers,

(ii) The returned ballot papers,

(iii) The marked copy of the list of voters eligible to vote, and

(iv) Any other paper directed by the Secretary to be kept in a sealed cover and seal each such packet or box with his own seal and the seals of such candidates or authorised representatives as may desire to affix their seals thereon and shall arrange for the safe custody of such packet or box.

(4) Where the election is arranged to take place for more than one day, just before the polling booth is opened to the voters on the second day, the Polling Officer shall, in the presence of any candidates or their authorised representatives who may be present, open the following boxes or packets after the seals are examined by him and by the representatives of the candidates, for use during the course of that day:

(1) Unused ballot papers, and

(2) The marked copy of the list of voters eligible to vote.

(5) The packets or boxes referred to in sub-regulation (3) shall be accompanied by an account of ballot papers showing the total number of ballot papers received, issued and un-issued, returned, as also the number of ballot papers which should be found in the packets or boxes. This account shall be forwarded to the Secretary.

49. *Transport of ballot papers and their custody*—The Secretary and the Polling Officers shall make adequate arrangements for the safe custody of the ballot papers and for the safe transport to the Headquarters of the Institute of all packets or boxes and other papers referred to in Regulation 48L. The Secretary shall also be responsible for their safe custody until the commencement of the counting of votes.

49A. *Voting by members employed on duty at polling booths*—The Polling Officer, the persons appointed by the Secretary to assist the Polling Officer or the authorised representatives referred to in Regulation 48E, who are electors for any constituency and by reason of their being on duty at a polling booth, are unable to be present and to vote at the polling booth where they are entitled to vote, may send so as to reach the Secretary at least thirty days before the date fixed for the poll at that constituency, an application, for permission to vote for the election by postal ballot. If the Secretary is satisfied that the claim is just and that the applicant is entitled to vote in the constituency, he shall, notwithstanding anything contained in this Chapter, allow the application and permit the applicant to give his votes at the election by postal ballot and thereupon the applicant may give his votes at such election by postal ballot and shall not be entitled to give his votes thereat in any other manner.

Provided that such permission shall not be granted to more than one authorised representative of the candidate in respect of each polling booth, such authorised representative being specifically nominated for the purpose by the candidate himself.

49B. *Eligibility to vote by post*—Every member whose name is included in the list of persons eligible to vote published under the provisions of sub-regulation (1) of Regulation 47 and whose name is not attached to any polling booth and every member who is residing outside India, shall, notwithstanding anything contained in this Chapter be entitled to vote by post. Every such member shall record his vote before a local Magistrate or a gazetted officer when no one else should be permitted to be present.

Provided that a member who is entitled to vote by poll may be allowed at the discretion of the Secretary to vote by post if by reason of there being a permanent change in his address from the address published in the list of members eligible to vote to another village, town or city beyond a radius of ten miles, he is unable to exercise his vote by poll at the polling booth allotted to him. Applications in this behalf, with proper verification of the contents of the application by the member concerned himself, should reach the Secretary by the 31st May of the year in which the elections are to be conducted and no applications received in this behalf after the said date will be considered. Any misuse of this concession, or any misstatement or false verification in this behalf will render the member concerned liable for disciplinary action under Regulation 54A.

Provided further that a member who is actually residing beyond a radius of ten miles from the polling booth allotted to him on the basis of his professional address may at the discretion of the Secretary also be given the concession provided in the foregoing proviso on the same terms and conditions.

49C. *Council to send ballot papers by post*—At least 21 days before the date of election, the Council shall send by registered post to the address of every voter entitled to vote by post under Regulation 49A and 49B, the voting paper together with a letter explaining the manner in which it shall be filled up, and specifying the date and hour by which it must reach the Secretary to the Council.

49D. *Ballot papers to be returned after recording votes thereon*—Every elector on receiving his ballot paper sent under Regulation 49C, shall, if he desires to vote at the election, record his votes thereon in the manner specified in Regulation 48 and then send it to the Secretary so as to reach him before 3 P.M. on the date fixed in this behalf.

49E. *Issue of undelivered and fresh ballot papers*—When a ballot paper and other connected papers sent by post under Regulation 49C are lost or damaged in transit or for any reason returned undelivered, the Secretary may reissue them by registered post or deliver them or cause them to be delivered to the elector on his applying for the same, if he is satisfied with the reasons for such loss, damage or return of the ballot paper and other connected papers.

III. For the existing Regulation 49, substitute the following:—

50. *Ground for declaring ballot papers invalid*—A ballot paper shall be invalid—

- (a) if a voter signs his name or writes any word or figure upon it or makes any mark or writing upon it by which the ballot paper becomes recognisable or by which the elector can be identified; or
- (b) which does not bear the seal of the Council; or
- (c) on which the figure 1 is not marked; or
- (d) on which the figure 1 is set opposite the name of more than one candidate; or
- (e) on which the figure 1 and some other figure are set opposite the name of the same candidate; or
- (f) if the ballot paper is unmarked or void for uncertainty; or
- (g) if any paper other than the forwarding letter is sent with it.

IV. For the existing Regulation 49A, substitute the following:—

50A. *Definitions*—In this Chapter, unless there is anything repugnant in the subject or context—

- (i) 'continuing candidate' means any candidate not elected and not excluded from the poll at any given time;
- (ii) 'first preference' means the figure 1, 'second preference' means the figure 2 and 'third preference' means the figure 3 set opposite the name of any candidate, and so on;
- (iii) 'unexhausted paper' means a ballot paper on which a further preference is recorded for a continuing candidate;
- (iv) 'exhausted paper' means a ballot paper on which no further preference is recorded for a continuing candidate provided that a paper shall also be deemed to be exhausted in any case in which—

- (a) the names of two or more candidates, whether continuing or not, are marked with the same figure and are next in order of preference; or

- (b) the name of the candidate next in order of preference, whether continuing or not, is marked by a figure not following consecutively after some other figures on the ballot paper or by two or more figures;

(v) 'original vote' in regard to any candidate means a vote derived from a ballot paper on which a first preference is recorded for such candidate;

(vi) 'transferred vote' in regard to any candidate means a vote, the value or part of the value of which is credited to such candidate and which is derived from a ballot paper on which a second or subsequent preference is recorded for such candidate;

(vii) 'surplus' means the number by which the value of the votes of any candidate, original or transferred, exceeds the quota.

V. After Regulation 50A, insert the following Regulation 50B, namely:—

50B. *Appointment of time and date for the counting of votes*—The Secretary shall appoint a date or dates and time for each such date for the counting of votes at the headquarters of the Institute. He shall also give notice of such date or dates and time in writing to all candidates.

VI. For the existing Regulation 50, substitute the following Regulations 50C and 50D, namely:—

50C. *Counting of votes*—(1) On the date and at the time and place, appointed under Regulation 50B, the Secretary shall for purposes of counting of votes in respect of a constituency—

- (a) Open the covers containing the postal ballot papers received by him under Regulation 49D, and shall take out the ballot papers from each such cover and shall record the number thereof in a statement; and shall make a separate packet of those ballot papers;
- (b) allow the candidates and their authorised representatives present at the counting an opportunity to inspect the packets and boxes received from the polling officers and their seals for satisfying themselves that they are in order; and
- (c) proceed as follows:—

If he is satisfied that the packets and boxes which have been received are in order, he shall take up the counting of the ballot papers contained in the said packets and boxes. If he finds that any of the packets or boxes has been tampered with, he shall not count the ballot papers contained in such packets or boxes as the case may be, for purposes of election. (He shall, however, keep a record of such ballot papers for purposes of election petitions, if any).

The packets and boxes found to be in order shall be opened and the ballot papers shall be taken out from them and shall be counted and the number thereof recorded in a statement. To these shall be added the postal ballot papers. The ballot papers shall be examined and any invalid voting papers shall be rejected. He shall divide the remaining ballot papers into parcels according to the first preferences recorded for each candidate. He shall then count the number of papers in each parcel.

(2) In carrying out the regulations hereinafter contained, the Secretary shall,—

- (a) disregard all fractions,

- (b) ignore all preferences recorded for candidates already elected or excluded from the poll.

(3) For the purpose of facilitating the processes prescribed by the regulations hereinafter contained, each valid paper shall be deemed to be of the value of one hundred.

(4) The Secretary shall add together the values of the papers in all the parcels and divide the total by a number exceeding by one the number of vacancies to be filled and the result increased by one shall be the number sufficient to secure the return of a candidate (hereinafter called the quota).

(5) If at any time a number of candidates equal to the number of persons to be elected has obtained the quota, such candidates shall be treated as elected, and no further steps shall be taken.

(6) (i) Any candidate, value of whose parcel, on the first preferences being counted, is equal to or greater than the quota, shall be declared elected.

(ii) If the value of the papers in any such parcel is equal to the quota the papers shall be set aside as finally dealt with.

(iii) If the value of the papers in any such parcel is greater than the quota, the surplus shall be transferred to the continuing candidates indicated on the voting papers next in the order of the voters' preference, in the manner prescribed in the following paras.

(7) (i) If and whenever as the result of any operation prescribed by these rules a candidate has a surplus, that surplus shall be transferred in accordance with the provisions of this Regulation.

(ii) If more than one candidate has a surplus, the largest surplus shall be dealt with first and the others in order of magnitude: Provided that every surplus arising in the first counting of votes shall be dealt with before those arising on the second count and so on.

(iii) Where two or more surpluses are equal, the Secretary shall decide, as hereinafter provided, which shall first be dealt with.

(iv) (a) If the surplus of any candidate to be transferred rises from original votes only, the Secretary shall examine all the papers in the parcel belonging to the candidate whose surplus is to be transferred, and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall also make a separate sub-paragraph of the exhausted papers.

(b) He shall ascertain the value of the papers in each sub-paragraph and of all the unexhausted papers.

(c) If the value of the unexhausted papers is equal to or less than the surplus, he shall transfer all the unexhausted papers at the value at which they were received by the candidate whose surplus is being transferred.

(d) If the value of the unexhausted papers is greater than the surplus, he shall transfer the sub-paragraph of unexhausted papers, and the value at which each paper shall be transferred shall be ascertained by dividing the surplus by the total number of unexhausted papers.

(v) If the surplus of any candidate to be transferred rises from transferred as well as original votes, the Secretary shall re-examine all the papers in the sub-paragraph last transferred to the candidate, and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall thereupon deal with the sub-parcels in the same manner as is provided in the case of the sub-parcels referred to in clause (iv).

(vi) The papers transferred to each candidate shall be added in the form of a sub-paragraph to the papers already belonging to such candidate.

(vii) All papers in the parcel or sub-paragraph of an elected candidate not transferred under this Regulation shall be set aside as finally dealt with.

(8) (i) If after all surpluses have been transferred, as hereinbefore directed, less than the number of candidates required has been elected, the Secretary shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preferences recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(ii) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(iii) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which and at the value of which he obtained them.

(iv) Each of such transfers shall be deemed to be a separate transfer.

(v) The process directed by this Regulation shall be repeated on the successive exclusions one after another of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

(9) If as the result of a transfer under these Regulations the value of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed, but no further papers shall be transferred to him.

(10) (i) If after the completion of any transfer under these Regulations the value of the votes of any candidate shall be equal to or greater than the quota, he shall be declared elected.

(ii) If the value of the votes of any such candidate shall be equal to the quota, the whole of the papers on which such votes are recorded shall be set aside as finally dealt with.

(iii) If the value of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided, before the exclusion of any other candidate.

(11) (i) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(ii) When only one vacancy remains unfilled and the value of the votes of some one continuing candidate exceeds the total value of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be declared elected.

(iii) When only one vacancy remains unfilled and there are only two continuing candidates and those two candidates have each the same value of votes and no surplus remains capable of transfer, one candidate shall be declared excluded under the next succeeding Regulation and the other declared elected.

(12) If, when there is more than one surplus to distribute, two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same values of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded shall have his surplus first distributed, or shall be first excluded as the case may be. If the values of their original votes are equal the Secretary shall decide by lot which candidate shall have his surplus distributed or be excluded.

50D. *Procedure in case of a tie*—If after counting of votes tie is found to exist between any candidates and the addition of one vote will entitle any of those candidates to be declared elected, that shall forthwith be decided between those candidates by lot, and the candidate on whom the lot falls shall be considered to have received an additional vote and shall be declared to be duly elected.

VII. For the existing Regulation 54, substitute the following Regulation, namely:—

54. *Savings*—(1) The decision of the Secretary shall be final in all matters not only in regard to the application of any of the provisions of the Regulations contained in this chapter but also in respect of all other matters not specifically covered by these provisions.

Provided that an appeal against the Secretary's decision may be made within ten days from the date of communication to him of the decision by a candidate or his authorised representative to the Council and the Council shall deal with the appeal in the same manner as specified in the second proviso to Regulation 47(5) above.

(2) No election shall be deemed to be invalid merely because of the accidental omission to send, or delay in sending a voting paper to a voter, or the accidental non-receipt of, or delay in receiving, a voting paper by a voter, or any other accidental irregularity or informality in the conduct of the election.

No. 1-CA(14)/60—The following draft of an amendment to the Chartered Accountants Regulations, 1949, which it is proposed to make in exercise of the powers conferred by sub-sections (1) and (3) of Section 30 of the Chartered Accountants Act, 1949 (XXXVIII of 1949), is published for information of all persons likely to be affected thereby and notice is hereby given that the draft will be taken up for consideration on or after the 24th April 1961.

Any objection or suggestion which may be received from any person with respect to the said draft before the date specified will be considered by the Council of the Institute of Chartered Accountants of India, New Delhi.

In the said Regulations:—

Re-number the existing Regulation 84 as sub-regulation (1) of Regulation 84 and add the following further sub-regulations, namely:—

“(2) The Council may, at its discretion, refuse to register a trade or firm name if such name is already being used by a Chartered Accountant in practice or by a firm of such chartered accountants and is already entered in the Register of Offices and Firms.

(3) In cases where identical trade or firm names are already in use and are entered in the Register of Offices and Firms at the time of coming into force of these provisions, the Council may direct the member or firm concerned whose trade or firm name was entered in the Register of Offices and Firms subsequent to the entry in the said Register of the earlier one, to alter the name in such manner as the Council may consider proper. The change shall be effected and intimated to the Council for approval within a period of one year of the issue of a direction to this effect by the Council.

(4) (i) No member shall practise under a trade or firm name which has been refused registration under sub-regulation (2) above:

(ii) No member shall practise under a trade or firm name for which the Council has directed, under sub-regulation (3) above, an alteration, after the expiry of one year from the date of issue of such direction.

(5) Nothing contained in this Regulation shall debar a firm of chartered accountants in practice from using a name which is identical with the name of another firm already in use and already entered in the Register of Offices and Firms, if atleast one of the partners in the firms is common."

The 18th February 1961

No. 5-CA(1)/9/60-61—With reference to this Institute's Notification No 4-CA(1)/14/60-61, dated the 4th January 1961, it is hereby notified in pursuance of Regulation 14 of the Chartered Accountants Regulations, 1949, that in exercise of the powers conferred by Regulation 13 of the said Regulations, the Council of the Institute of Chartered Accountants of India has restored to the Register of Members with effect from the dates shown against their names, the names of the following members, namely:—
